Newsletter

Dear parent,

We are now at the end of another busy year. We have only one member of staff leaving this year, Miss Gollan is returning home to Australia. We all wish her well in her future career.

Thank you to all those parents who attended our evening for children to show their work yesterday.

Summer Holiday Project

All our pupils have been given a summer project to complete over the summer break. We would be most grateful if you are able to give your child some time over the holiday so that they can work on this project. The work should give children the opportunity to practise their skills and show their new class teacher what they can achieve.

Your child should have brought home the details of their summer holiday project on Tuesday. If for any reason you mislay the details of the project you can download the projects set for all year groups from our school website.

All parents will get an opportunity to meet with their child's new class teacher early next term.

Change to times of the school day

You will recall that in February we consulted parents on a change to the timing of the lunchtime.

As the overwhelming majority of parents were in favour of the change we shall be starting the new times from the beginning of next term.

Lunchtimes

12 – 1 pm. Reception, Years 1, 2 & 3
12:30 – 1:30 pm Years 4, 5 & 6

Nursery class times

To comply with the requirement to give longer nursery sessions our nursery will be open for:

- Morning **8.45 a.m. - 11.45 a.m.**
- Afternoon **12.40 – 3.40 p.m.**

Assessment results

I am very pleased to tell you that our Year 6 pupils did well in the SATs assessments this year with significant increases in the percentage of children

gaining Level 4 and above in English (85% against 75% last year). The % getting level 5 this year was 43% (2009 16%).

Results in Maths and science were much the same as last year, but a real increase in % getting level 5 in Maths (49% - 40% in 2009).

Year 6 Concert

Our Year 6 pupils treated us all to a fantastic

concert on the theme of "Newbury Park TV". Every pupil took part in the production which showed how talented our pupils are in acting, singing and dancing.

Absence from school

Under new guidelines from Redbridge parents of pupils who are absent from school due to illness for 5 days or longer are now required to provide some medical evidence of the illness. This could be a note from the GP or other evidence, such as prescribed medication.

Pupils return to school on Monday 6th September

Many thanks and very best wishes.
